SUBJECT: ANNUAL PERFORMANCE REPORT 2022/23

BY: CHIEF OFFICER

1. REASON FOR REPORT

1.1. To present the Board with the draft Annual Performance Report 2022/23.

2. RECOMMENDATION

2.1 It is recommended that the Moray Integration Joint Board (MIJB):

- i) consider and note the draft Annual Performance Report 2022/23 at APPENDIX 1; and**
- ii) approve the publication of the Annual Performance Report 2022/23 by 31 July 2023.**

3. BACKGROUND

- 3.1. The Public Bodies (Joint Working) (Scotland) Act 2014 specifies that a performance report must be produced by an Integration Authority (IA) to ensure that performance is open and accountable, and sets out an assessment of performance in planning and carrying out the integration functions for which they are responsible. This is to be produced for the benefit of Partnerships and their communities.
- 3.2. The Act obliges the IA to prepare a Performance Report for the previous reporting year and for this to be published by the end of July each year.
- 3.3. The required content of the Annual Performance Report (APR) is set out in the Public Bodies (Joint Working) (Content of Performance Report) (Scotland) Regulations 2014.
- 3.4. APRs should demonstrate how the partnership has performed against the National Health and Wellbeing Outcomes, within the context of the Strategic Plan and Financial Statement. To support this, a set of Core Integration Indicators have been developed by the Scottish Government and the Board is expected to report upon performance using these and other locally specified indicators.

4. KEY MATTERS RELEVANT TO RECOMMENDATION

- 4.1. The APR provides an opportunity to present the story of the partnership's overall performance over the 12 month period, including progress against the nine National Health and Wellbeing Outcomes and the commitments contained within the 2022-32 Strategic Plan.
- 4.2. The report represents the challenges services face as we continue to recover from the impact of the Covid-19 pandemic. This highlights the pressures on our services, the exceptional work of our staff and the ways in which we worked collaboratively with our partners to continue to provide care and support to the citizens of Moray.
- 4.3. The items for focus were identified by staff and managers following a call for submissions. There is a continued effort to strengthen the links between the Strategic Plan, service delivery plans and related performance monitoring reports, to facilitate production of future APRs. This will be taken forward as part of the process for the Strategic Delivery Plan.

5. SUMMARY OF IMPLICATIONS

(a) Corporate Plan and 10 Year Plan (Local Outcomes Improvement Plan (LOIP)) and Moray Integration Joint Board Strategic Plan "Partners in Care 2022-2032"

As defined within the Moray Integration Scheme values and meeting the strategic aims contained within the MIJB Strategic Plan; Moray Partners in Care 2022-32. Annual performance reports will be of interest to Grampian Health Board and Moray Council in monitoring the success of the integrated arrangements that they have put in place and in considering whether or not there is a need to review the Integration Scheme.

IJBs have a legal obligation to produce an annual performance report in line with The Public Bodies (Joint Working) (Content of Performance Reports) (Scotland) Regulations 2014 and the Scottish Government Guidance: Health and Social Care Integration Partnerships: reporting guidance.
