

Action from ED&I Committee 21.6.22	
Agenda Item No:	11
Agenda Item:	Performance Report (Environmental and Commercial Services) - Period to March 2022
Responsible Officer:	Mark Atherton, Roads Maintenance Manager
Information Sought:	Response:
Agreed we would look at awareness info for electric pool car users – how to charge car/where chargers are in Moray and common other destinations.	An EV Charging Guide has been produced and has been placed inside each electric vehicle. The guide is also available to staff on the intranet under the pool car information. The current fleet of 10 EV pool cars are intended to be used in and around Moray and therefore there should be no off base charging required. As the fleet is rolled out wider the guide will be updated with the locations of chargers outwith Moray.

Once completed please return to committee.services@moray.gov.uk for publication on CMIS and circulating to Elected Members and copy in CMTadmin@moray.gov.uk

THE INFORMATION YOU PROVIDE IS PUBLISHED ON CMIS AND WILL BE AVAILABLE FOR COUNCILLORS AND MEMBERS OF THE PUBLIC TO READ. IF THE INFORMATION IS CONFIDENTIAL YOU MUST LET COMMITTEE SERVICES KNOW WHEN RESPONDING.
