Agenda Item No:	15
Agenda Item:	Question Time
Responsible Officer:	Paul Wolverson (Nicola Moss)
Information Sought:	Response:
Councillor Van Der Horn asked if some investigation could be carried out into the plant die off at the woodland in Kinloss. There had been a sewage outflow into Findhorn bay which was reported to Scottish Water and he would like confirmation if the 2 events are linked. In response, the Head of Environmental and Commercial Services asked that Councillor Van Der Horn speak to her following the meeting and provide some more information and she would arrange for it to be looked into.	<p>The outflow issue was reported to the MOD who are carrying out appropriate investigations into the matter.</p> <p>The Council will report the trees that would appear to be dead or dying if ownership can be established.</p>
