Action from ED&I Committee 7 February 2023	
Agenda Item No:	10
Report Title	Port Marine Safety Code Quarterly Report - Quarter 3
Responsible Officer:	Nicola Moss/Stuart Akass
Information Sought:	Response:
(ii) that Officers explore a solution to ensure the safety of Buckie Harbour users disembarking their boats onto the pier when it is dark;	ii) lighting on the piers is being handled by the Council's street lighting team. A Site meeting has taken place in Buckie with the issues being noted. A full study including repair, replacement and upgrade will be conducted in the coming months.
(iii) that an Action Plan for dredging Hopeman Harbour would be provided at the next meeting of this Committee;and	iii) this was included in a report submitted to ED&I 2.5.23.
(iv) to provide the Committee with the number of planned and unplanned maintenance days in Quarter 3.	iv) All Maintenance days recorded in the committee report are 'unplanned' as these are the result of delays to work due to conditions other than unworkable weather. When this occurs crew are tasked with maintenance jobs as per the planned maintenance schedule. This work is completed on these days ensuring that when the vessel is engaged in a work day there are no maintenance jobs outstanding that will interfere with the work.

Once completed please return to committee.services@moray.gov.uk for publication on CMIS and circulating to Elected Members and copy in CMTAdmin@moray.gov.uk
