**Q4** Which localities within Moray do you consider appropriate for Sexual Entertainment Venues? Please be as specific as possible.

anywhere near a school, a nursery or place of care such as residential care home or hospital for example.

**Q5** Moray Council has the power to set a maximum number of Sexual Entertainment Venues for individual localities within Moray. This number could be zero. Do you think that the Council should set a figure for the maximum number of SEVs within any particular locality?

**Yes,**

If yes, state which locality or localities, and how many. Please be as specific as possible.:

I believe the number should depend on what number of persons would be wanting to use an SEV, but with the relatively low number of population in Moray, perhaps a limit should be one SEV maximum per town that has a population of over? Don't know the number just a thought .

..

## Sex Entertainment Venues Consultation

**Q6** Are there any localities within Moray that you consider to be inappropriate for Sexual Entertainment Venues?

**Yes,**

If yes, please state which locality or localities. Please be as specific as possible.:  
anywhere near to a nursery, school, care facility, hospital or church. Not that the churches are very well used, but it just seems inappropriate somehow.
