<b>Information Sought:</b>	<b>Response:</b>
Councillor Harris asked for information on out of zone placement percentages for primary and secondary schools in Moray which could be placed alongside the information report containing the table on school working and functional spaces and provided data on past and current actual numbers in school.	Intent is to provide out of catchment placement information in the form of % of pupils from in and out of catchment in future Primary and Secondary school annual capacity and occupancy information reports. The next report is planned to be Jan 25 following completion of the 2024 school census.
