**3. BACKGROUND**

- 3.1 When a school is inspected by Education Scotland and/or the Care Inspectorate a report is published which gives commentary on the school's performance. These reports are presented regularly to Committee, where possible at the first available opportunity after publication.
- 3.2 In September 2023, a team of inspectors from Education Scotland visited Anderson's Primary School. During their visit, Education Scotland inspectors talked to parents/carers and children and worked closely with the Head Teacher and staff.
- 3.3 Anderson's Primary School was subject to a short model inspection model visit spanning over three days in total.

3.4 The Education Scotland Inspection team use selected Quality Indicators (QIs) from “[How good is our school? 4th edition](#)” (HGIOS4), rated using the [six-point scale](#).

3.5 Education Scotland focus QIs for the Primary school (short model inspection) are:

- QI 2.3 Learning, Teaching and Assessment
- QI 3.2 Raising Attainment and Achievement

Education Scotland Inspections also include focus on Safeguarding.

QI 2.3 Learning, teaching and assessment	Good
QI 3.2 Raising attainment and achievement	Good

3.7 The inspection team found the following strengths in the school’s work:

- The Head Teacher and senior leadership team provide strong leadership. Together with staff, they have created a supportive and inclusive learning environment in which children are happy and confident.
- Teachers and support staff work well together to ensure lessons are well-planned and interesting. They make good use of resources, including outdoor areas and amenities in the local community.
- Teachers gather information about the progress children are making and use this well to plan learning. Teachers and senior leaders identify, support and monitor well those children who require additional help or challenge in their learning.

3.8 The inspection team agreed the following areas for improvement with the Head Teacher and Moray Education:

- Staff across the school should continue to improve attainment in literacy and numeracy.
- Staff should improve how they help children understand their skills and strengths and what they need to do to improve them.
