Action from ED&I Committee 5 September 2023	
Agenda Item No:	8
Report Title	Elgin Parking Review
Responsible Officer:	Nicola Moss
Information Sought:	Response:
<p>Transportation Manager to provide information to committee members about the potential to extend the charging times at Lossie Green carpark and the implications for enforcement.</p> <p>Transportation Manager to add parent and child spaces into paragraph 4.6 and to look at the sizes of spaces when re-lining.</p>	<p>Consideration has been given to extending the parking restrictions for Lossie Green Car Park as a means of tackling anti-social behaviour highlighted by Cllr Leadbitter. However, officers have confirmed that it would not be possible to extend the period which parking restrictions apply at Lossie Green without an increase in the car park attendant resource. It is therefore proposed that the issue be raised with Police Scotland in order to try and identify alternative measures to tackle the issue.</p> <p>Officers undertaking the Disabled Parking review will also ensure that the number of parent and child parking spaces in Elgin's off-street car parks will also be reviewed with any recommendations being implemented when the car parks are relined in the future.</p>
