Information Sought:	Response:
Councillor van der Horn asked that if previous/external reports are referred to in Committee reports then links be provided to such reports.	<p>The report presented to Committee included two links. The first link at paragraph 3.1 included a hyperlink on the word 'report' in the first sentence. A further link was included on the last page of the report under the section titled 'background papers'. Both link to the following report:</p> <p>Report to ED&I Committee 7 February 2023</p> <p>It is noted that once papers are printed a link attributed to a word in a report may not be obvious. If reading papers electronically the hyperlink will highlight under the mouse and can be used to link directly to the relevant document / website.</p>
