

REPORT TO: MORAY INTEGRATION JOINT BOARD AUDIT, PERFORMANCE AND RISK COMMITTEE ON 25 JULY 2019

SUBJECT: PUBLIC SECTOR INTERNAL AUDIT STANDARDS – EXTERNAL QUALITY ASSESSMENT OF INTERNAL AUDIT

BY: CHIEF INTERNAL AUDITOR

1. REASON FOR REPORT

1.1 To provide the Moray Integration Joint Board (MIJB) with details of a recent external quality assessment undertaken on the council's internal audit service.

2. RECOMMENDATION

2.1 It is recommended that the Audit, Performance and Risk Committee considers and notes the report and the action plan prepared to address the issues raised in the external quality assessment of internal audit.

3. BACKGROUND

3.1 The Local Authority Accounts (Scotland) Regulations 2014 at paragraph 7 require that 'a local authority must operate a professional and objective internal auditing service in accordance with recognised standards and practices in relation to internal auditing'.

3.2 The recognised standards adopted by all public bodies are the Public Sector Internal Audit Standards, (PSIAS) developed by standard setters including the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Chartered Institute of Internal Auditors. The standards include a requirement for an External Quality Assessment (EQA) of internal audit once every five years, and for the findings to be considered at a meeting of a council committee. The information is also relevant to the internal audit work conducted for the MIJB.

3.3 Through the Scottish Local Authorities Chief Internal Auditors' Group which the council participates in, and in line with the Standards, it was agreed that the EQA requirement could be met through a peer review process. This required each Chief Internal Auditor to undertake an assessment at another council and receive an assessment in return. It was agreed by the group that to avoid any potential conflicts of interest reviews would not be carried out at

or by a neighbouring authority. Fife Council was selected to undertake the assessment of Moray Council.

- 3.4 The assessment involved the Audit Manager and an Auditor from Fife and took place over two days in early February 2019. It involved the review of a portfolio of evidence, interviews with the Chair of the Audit and Scrutiny Committee, the Chief Executive, and the Corporate Director (Corporate Services) responsible for internal audit, as well as discussions and file reviews involving all staff in the audit team. A copy of the report detailing the audit findings together with an action plan containing recommendations is provided as **Appendix 1**.
- 3.5 The inspection was thorough and the report gives a useful external perspective of how the service performs as well as providing advice on areas where compliance with the standards can be strengthened. There is a couple of areas highlighted around audit planning where there is a need to do more to evidence the basis for selection of planned audit topics otherwise for the most part the recommendations will be readily implemented subject to time being made available to do so. Overall the positive comments around Moray Council audit working paper and reporting processes were welcomed as an endorsement of the combined efforts of all staff in the team.

4. KEY MATTERS RELEVANT TO RECOMMENDATION

- 4.1 Participation in the EQA process provides an independent assessment of Internal Audit's application of the standards expected of public sector internal audit. The provision of this report to the recipients of internal audit services provides transparency around the results of the assessment and of the actions proposed to secure service improvement.
