3. BACKGROUND

3.1 The Public Bodies (Joint Working) (Integration Joint Boards) (Scotland) Order 2014 requires that an integration joint board is subject to the audit and accounts regulations and legislation of a body under Section 106 of the Local Government (Scotland) Act 1973.

3.2 The Local Authority Accounts (Scotland) Regulations 2014 (2014 Regulations), places a statutory obligation on the MIJB to submit draft Annual Accounts for the year ended 31 March 2022 to its external auditors by 30 June 2022 and the audited annual accounts are required to be approved by the MIJB and published by the 30 September each year. Regulation 5 of the Local Authority (Capital Finance and Accounting) (Scotland) (Coronavirus) Amendment Regulations 2021 extended the dates, and these have been extended again for 2021/22 by further amendment regulations. This timescale and relates mainly

to the timing of the audit. Audited accounts, under the Act are required to be published by 15 December 2022.

3.3 A copy of the unaudited accounts is attached at **APPENDIX 1**

4. KEY MATTERS RELEVANT TO RECOMMENDATION

4.1 In relation Regulation 5 of the Local Authority (Capital Finance and Accounting) (Scotland) (Coronavirus) Amendment Regulations 2021, Scottish Government has advised that the Act has been extended again for 2021/22. Subsequently, this allows for the ability to delay the publication of Annual Accounts until December 2022. Audit Scotland have assessed the resources they have available to conduct the audit and have made a decision to exercise the powers to extend the timescales as set out in the legislation. The Chief Financial Officer has had regular contact with the external auditor to ensure reporting and inspections periods are appropriate and have adapted timelines accordingly, whilst ensuring the accounts preparation is completed in a timely manner.

4.2 The Annual Accounts have been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 (the Code) which is underpinned by the International Financial Reporting Standards (IFRS).

The audited accounts and the External Auditor's report will be submitted to the MIJB at its meeting of 26 November 2022 prior to publication.

4.4 The Comprehensive Income and Expenditure Statement shows a surplus of £10.679m on the provision of services for the year. As at 31 March 2021, the Balance Sheet showed total Reserves of £6.155m. This increase is primarily due to late allocation from the Scottish Government as advance payment to support the continued remobilisation of services in relation to Covid-19 and additional winter funding investments. Note 7 within the unaudited accounts breaks down the General Fund Reserve between what is General Reserve and available for utilisation and supporting the budget and what is earmarked for specific purposes.

It describes the strategic intent of the MIJB, together with its performance through the year, highlighting areas of risk. It also provides some forward thinking on the forthcoming year and planned developments.

Annual Governance Statement – is a means of reporting publicly on the MIJB's governance arrangements, and seeks to provide assurance that its

business is conducted in accordance with law, regulations and proper practices and that public money is safeguarded and properly accounted for.

Financial Statements – provides detail of the main financial transactions through the Comprehensive Income & Expenditure Statement, Movement in Reserves Statement, and Balance Sheet.

Notes to the Accounts – explains the use of accounting policies and provides supporting information to the main financial statements.

- 4.6 As at 31 March 2022 there were significant variances between budget and actual on several services. These are evident in the Comprehensive Income and Expenditure Statement and are detailed in a separate report being presented to this Board entitled '*Revenue Budget Outturn for 2021/22*'.
