Action from Corporate Committee and 25 April 2023	
Agenda Item No:	11
Report Title	Health and Safety Annual Report 2022
Responsible Officer:	Frances Garrow
Information Sought:	Response:
<p>The Head of HR, ICT and Organisational Development advised she would go back to officers and get a breakdown on gender of the accidents and violence and aggression incidents.</p> <p>The Head of HR, ICT and Organisational Development to see how easy it would be to extract the gender details of the perpetrators of the violence and aggression incidents and if, not too time consuming, will feed back to members. The Head of HR, ICT and Organisational Development to speak to HSCM to find out how the violence and aggression figures are recorded for non-Council run facilities.</p>	<p>19-05-23 Partial response sent to members support for circulation to corporate committee members advising:</p> <p>(1) Corporate figures show a 50/50 gender split for both perpetrator and victim. Education have been asked whether they can provide figures on this.</p> <p>(2) As above.</p> <p>Third party providers are responsible for the collation of their own Work Related Violence figures as employers and would adhere to their own policies on this. The Care Inspectorate/Health and Safety Executive, depending on the circumstances, would look to the individual employers for this information.</p> <p>15-06-2023 Education have advised that they do not record gender for violence and aggression statistics so would not be able to get the figures easily. Members advised via email via Members Support.</p>

Once completed please return to committee.services@moray.gov.uk for publication on CMIS and circulating to Elected Members and copy in CMTAdmin@moray.gov.uk
