Key Feature 6 Meaningful and sustained engagement

Proposal 6.1

Effective approaches for community engagement and participation must be put in place for integration.

Rating	Not yet established	Partly Established	Established	Exemplary
Indicator	There is a lack of engagement with local communities around integration.	Engagement is usually carried out when a service change is proposed.	Engagement is always carried out when a service change, redesign or development is proposed.	Meaningful engagement is an ongoing process, not just undertaken when service change is proposed. Local communities have the opportunity to contribute meaningfully to locality plans and are engaged in the process of determining local priorities.
