Forres Area Community Trust
Response to the Representation received 27th August 2019
ATR Ref ATR 059

Forres Area Community Trust are delighted by the responses to the submission of our Asset Transfer Request.

We acknowledge that the responses received are positive and wholly in support of our application. We feel that this is an endorsement of the work we are doing and the engagement we continue to have with our community.

In conclusion, we want to confirm that this is our full and final response to the information received and look forward to a positive conclusion of the CAT of Forres Town Hall.
