**20 MPH ZONES**

Council notes that 20 mph zones in built-up areas contribute to reducing noise pollution and CO2 emissions. Council further notes that 20 mph zones significantly reduce the number of casualties on the road.

Council understands that 20mph speed limits offer a low-cost option for promoting road safety, and such schemes have strong local support<sup>1</sup>. Council notes that 20mph zones have successfully been implemented in Moray, such as in the vicinity of Alves Primary School.

Council instructs officers to bring forward a report about extending 20mph zones in built-up areas, particularly around schools.
