**SUBJECT: EDUCATION SCOTLAND INSPECTION OF CLUNY PRIMARY
SCHOOL, BUCKIE**

BY: CHIEF EXECUTIVE

1. REASON FOR REPORT

- 1.1 The purpose of this report is to invite the Committee to scrutinise and note the outcomes of the recently published report on a Moray school following inspection by Education Scotland.
- 1.1 This report is submitted to Committee in terms of Section III (D) (1) of the Council's Scheme of Administration relating to all the functions of the Council as Education Authority.

2. RECOMMENDATION

- 2.1 It is recommended that the Committee scrutinises and notes the content of this report.**

3. BACKGROUND

- 3.1 When a school is inspected by Education Scotland a report is published which gives commentary on the school's performance. Education Scotland publish the school report. These reports are presented regularly to this Committee, where possible at the first available opportunity after publication.
- 3.2 In April 2019, Education Scotland visited Cluny Primary School. During their visit, Education Scotland inspectors talked to parents/carers and children and worked closely with the Headteacher and staff. Cluny Primary School was subject to a Short Inspection Visit process. The key features of this model, which differs to the full establishment model are:
- The team was composed of fewer inspectors
 - Inspectors spent less time in school (a total of two days)
 - The focus was on two quality indicators (QIs)
 - Inspectors made evaluations of these QIs using the six point scale

The focus QIs were:

QI 2.3 Learning, teaching and assessment
QI 3.2 Raising attainment and achievement

These QIs feed directly into the evidence base for the National Improvement Framework.

- 3.3 The aim of the short inspection visit was to validate the two Education Scotland QIs 2.3 and 3.2 from the How Good Is Our School 4? (HGIOS4) quality framework for the school.

These QIs are graded on the six-point scale used by Education Scotland for inspections:

6 – Excellent
5 – Very Good
4 – Good
3 – Satisfactory
2 – Weak
1 – Unsatisfactory

The inspection findings indicated that Cluny Primary School has the capacity to continue to improve and Education Scotland will make no more visits in connection with this inspection.

- 3.4 The gradings for Cluny are as follows:

QI 2.3 Learning, teaching and assessment - **Good**
QI 3.2 Raising attainment and achievement - **Good**

- 3.5 The summary of the inspection report is contained in **Appendix 1**. The original inspection report and summary of inspection findings can be viewed at:
