

# **Community Planning Board**

Wednesday, 13 November 2019

NOTICE IS HEREBY GIVEN that at a Meeting of the Community Planning Board is to be held at Inkwell Main, Elgin Youth Café, Francis Place, Elgin, IV30 1LQ on Wednesday, 13 November 2019 at 14:00.

## **BUSINESS**

1.	Welcome and Apologies	
2.	Community Learning and Development Plan 2018-21	3 - 54
3.	LOIP Update Report	55 - 58
4.	Proposed Dates 2020	59 - 60
5.	ANY OTHER COMPETENT BUSINESS	

Clerk Name: Tracey Sutherland Clerk Telephone: 01343 563014

Clerk Email: tracey.sutherland@moray.gov.uk

REPORT TO: COMMUNITY PLANNING BOARD ON 13 NOVEMBER

2019

SUBJECT: COMMUNITY LEARNING AND DEVELOPMENT PLAN

2018-2021 YEAR 1 REPORT

BY: DEPUTE CHIEF EXECUTIVE (EDUCATION,

COMMUNITIES AND ORGANISATIONAL

**DEVELOPMENT)** 

#### 1. REASON FOR REPORT

1.1. To inform the Board of the first year's outcome of the Community Learning and Development (CLD) Plan 2018-21.

## 2. **RECOMMENDATION**

- 2.1. It is recommended that the Board:
  - i) being mindful of the challenging resource, notes the achievements made; and
  - ii) identifies any opportunities to meet need and raise CLD identity.

#### 3. BACKGROUND

- 3.1. Moray published a second CLD Plan in September 2018 in compliance with the CLD regulations. 3 documents were produced: a plan of the shared partnership targets, an appendix of the individual partners' targets plus one relating to the current immediate CLD resource.
- 3.2. CLD seeks to particularly target the population who have poorer outcomes in education, health and wellbeing, and those who seek to make changes in their communities. A snapshot on poverty highlights the following:
  - Moray Baby Bank was formed in 2019 offering families donated clothes and items for babies from birth to 2 years old.

- Moray School Bank had a rise in referrals from 204 to 302 in 2018/19
- Moray Foodbank changed to Moray Food Plus in recognition of the rise of food poverty and supports required. Between April 2018 and March 2019, 4440 people were supported. 17 tonnes of quality surplus food was distributed with over 18000 litres of milk in Moray's communities.
- The Council's Welfare Benefits Team figures from 1st September 2018 to 30 September 2019 highlighted that there have been 646 new cases to Income Maximisation and their overall benefit gain for that period was £1,372,677. Money Advice assisted 281 new clients and had an existing case load of 346 cases. Welfare Benefits assisted with 124 benefit appeals and 153 Mandatory Reconsiderations. Their success rate for appeals for this period was 84% and their overall benefit gain was £1,131,166.
- 3.3 The CLD Strategic Partnership is in a stronger place despite experiencing temporary chairing for the majority of the period. For a significant part of 2019 several partners were off ill and could offer no replacement to attend meetings. Despite this attendance and commitment was steady at around 9 partners. Formal education remains a gap in participation which is a challenge to fill. Two development sessions were delivered by Education Scotland HMI on improving performance and the learning offer, and there was no contact with the regional advisor during the year.
- 3.4 The Practitioners Targets related to the plan can be viewed in **Appendix A**.
- 3.5 The CLD Plan's progress monitoring can be viewed in **Appendix B** which focusses on the partnership targets that have not been fully achieved.
- 3.6 The immediate Staff Resource linked to the CLD Strategic Partnership can be viewed in **Appendix C.**

#### **Inspection Activity**

- 3.7 2018 was busy for inspection activity. January saw an Education Scotland inspection using the framework "How good is the Learning and Development in our Community" which had a strategic and place-based focus in the Buckie and Coast area:

  <a href="https://education.gov.scot/assets/contactorganisationinspectionreports/moraycouncilcldins300418.pdf">https://education.gov.scot/assets/contactorganisationinspectionreports/moraycouncilcldins300418.pdf</a>
- 3.8 Follow up engagement took place in November 2018 with a published report on the 17 Dec 2018:

- https://education.gov.scot/assets/contactorganisationinspectionreports/moraycevcld171218.pdf
- 3.9 Ongoing engagement took place in March 2019 with the report published on 10 June 2019:

  <a href="https://education.gov.scot/assets/contactorganisationinspectionreports/cldmoraycouncil100619.pdf">https://education.gov.scot/assets/contactorganisationinspectionreports/cldmoraycouncil100619.pdf</a>
- 3.10 Almost all of the partners were also involved with the Integrated Children's Services follow-up inspection plus some school inspections which meant that a small strategic resource was very thinly spread.
- 3.11 It is anticipated that Education Scotland will continue dialogue with the partnership in the autumn with an inspection late spring. Education Scotland are currently reviewing their inspection framework.
- 3.12 The Council management restructuring decisions and aligning of services will have an immediate effect in this quarter on the CLD Strategic Partnership and a new Director designated responsibility for CLD. There has been early discussion about the reporting mechanism to the Community Planning Officer Group and the Board which had been limited previously.
- 3.14 In October an officer from Midlothian Council gave an input on governance and performance reporting to the CLD Strategic Partnership to influence decisions on how Moray progresses and implements this.

#### **CLD Rewind highlights**

3.15 In reviewing the year's activity some highlights have been included from the Strategic Partnership to show the breadth of CLD and can be seen at http://www.moray.gov.uk/downloads/file128646.pdf

#### **Unmet Need**

- 3.16 Highlighting unmet need continues to be a requirement of CLD Plans. Austerity decisions by all partners are impacting on the work that can be done with reduced opportunities offered to learners, communities and the workforce. Some of the issues raised in the original plan, equalities impact assessment and Fairer Scotland Duty have not gone away namely:
  - Barriers to participation linked to transport, childcare, cost and accommodating shift patterns
  - Consistent Youth Work opportunities not being available in each large community because resources follow need, thus achievement and wellbeing opportunities are reduced

- Leisure class provision has reduced which often is a first step back into potential accredited learning
- Locally based traditional CLD services are not available, however
  Development Trusts, tsiMORAY's temporary funded Community
  Development posts and networks are endeavouring to bridge some of
  this gap.

#### 3.17 In addition:

- Let charges may prevent community provision from developing and being sustainable where there were previous free lets.
- Within core CLD services opportunities to volunteer, be supported, trained and developed have reduced because there is not the capacity or infrastructure to enable this to happen
- Austerity measures limit the amount of networking locally and nationally. Opportunities to attend courses and conferences have significantly reduced. Digital solutions requested if available have often been inadequate. This has been highlighted as an issue through the professional network.
- There are fewer options available for people seeking a professional CLD qualification and less staff are able and competent to train, mentor and supervise student placements. There is an older age profile of existing qualified CLD practitioners in Moray and similar issues have been highlighted in the National CLD Workforce study: <a href="http://cldstandardscouncil.org.uk/wp-content/uploads/WorkingwithScotlandsCommunities2018SummaryRep-ort.pdf">http://cldstandardscouncil.org.uk/wp-content/uploads/WorkingwithScotlandsCommunities2018SummaryRep-ort.pdf</a>
- Pre level 4 English as a Second Language one to one provision is extremely limited, particularly for potential learners not living in Elgin.
- Reduced library opening times in some areas limits families who have no home ICT.

Whilst there is not consistent opportunity in each community, we are satisfied that our services are being directed to meet priorities and we will regularly revisit these issues.

#### Opportunities in 2019/20

- 3.18 The wider CLD network and partnership shall meet to review the second year's targets in November in light of reduced resources and Community Planning Board guidance.
- 3.19 Early Years family learning developments; the Listening Well Project; Moray Employability Pathway Consortium, Community Asset transfers,

Participatory Budgeting, new Development Trust activity plus the Growth Deal should all feature in the next Moray CLD chapter. In addition the revised Youth Work and Adult Learning strategies should influence the priorities and resource allocated linked to the Locality Outcome Improvement Plan.

3.20 The impact of Community Empowerment Legislation will influence and change the way almost all organisations have previously functioned and the development of Locality Plans brings this back to the heart of communities. The challenge for partners will be to knit opportunities together, with the values and an understanding of CLD, for the benefit of Moray's residents and in particular the more vulnerable.

#### 4 SUMMARY OF IMPLICATIONS

- 4.1 There has been mixed achievement within the CLD Plan, with some national awards gained and rising community ownership. As public services diminish and community involvement is explored, supported and delivered, participation will inevitably continue to change with a different type of accountability and timescale that fits volunteers or providers. The pulling together and sharing of this information by all partners will be crucial for the CLD Strategic Partnership to have the intelligence required for governance to ensure learner's needs are met and the most valuable information is collected so resource is not wasted.
- 4.2 The removal of any core services will heighten the unmet need in communities and whilst it is the Local Authority's responsibility to identify this through the CLD Plan, it is the Community Planning Partnership's responsibility to seek solutions, identify resources and direct the CLD Strategic Partnership. It is recognised that there will be ongoing tension here on the level of disclosure as third sector groups in particular try to access funding to survive. A commitment to open sharing of information will be required.
- 4.3 The existing CLD regulations have been particularly scrutinised this year within the Partnership and do not provide strong enough clarity and guidance on levels for "adequate" provision. This has been raised with the relevant bodies.

#### 5 CONCLUSION

5.1 The practitioners targets and review/rewind of the first year of the CLD Plan reinforces that the CLD Strategic Partnership are working better together on an improvement journey. This information with the poverty context and growth opportunities will influence the refinement of the 2019-2020 targets in November 2019. An annual report will be created following the Board's scrutiny and will include feedback with the voices of learners and activists on the first year.

Establish Moray Learners Forum	MALF was dissolved in September 2016	Moray College UHI plus relevant partners	Establish Forum, invite Learners to participate	Engage support of HISA; Advertise opportunities to become involved; Deliver induction.	Moray College UHI	Forum not yet established as Moray College Highland and Island Student Association infrastructure under review. Meeting arranged with HISA in the new academic term.
Study Bar	Study bar appointments in academic year 2017- 2018 (tbc)	Moray College UHI plus relevant partners	Provide further opportunities to support literacies development in Moray	Number of study bar appointments; Number of workshops delivered	Moray College UHI	1303 Study Bar appointments in 2018-2019; 87 workshops delivered to 1056 students; Mental Health & Wellbeing Service students referred 114, with 286 appointments. Academic year 2018/19 has seen an increase in the number of disability referrals with mental health disclosures overtaking dyslexia and multiple disabilities.
Part- time/Evening/ Leisure classes for adult learners	Level of class provision at 2017-18 was 23 (232 learners)	Moray College UHI plus relevant partners	Review current portfolio. Canvass MALF to identify need.	Number of classes offered in Further Education (FE) and Higher Education (HE) Survey completed and analysed	Moray College UHI	FE Evening Classes 25 classes 268 people; Part-time 656; HE Evening class 3, part-time 274. P/t figures include employability courses, leisure and accredited courses. FE Review of Leisure/evening provision June 2019:68 respondents, majority aged 45-

						54 living in IV30. Reviews show increase interest in creative courses. Fulltime FE Curriculum audit underway in line with Moray SIP expected finish Sept 2019.
Scottish Government policy alongside research on health and wellbeing, learning uptake and positive destinations for carers and disabled people drive a need for deeper engagement with disabled people. Barriers to learning for this group are contributing to social exclusion and inability to engage in digital life, impacting on health/wellbein g and	According to the Scottish Government, the one in five people who are disabled are twice as likely to have no qualifications and to be unemployed and are three times more likely to be economically inactive. They are also more likely to lack core and digital skills.	Provision of a direct delivery learning service and a learning support service working with disabled people and carers in small community groups or on a one-to-one basis.	Disabled people and carers show improved engagement in community and educational life.  Sustained learning Increased confidence Increased knowledge Increased ability to communicate skills Improved digital skills	<ul> <li>10% of participants take up a place on a course of FE or HE study.</li> <li>70% of participants engaged in one or more of the four areas of community contribution.</li> <li>85% of participants are engaged in new, informal learning activities or have identified the activities they will undertake in the next 6 months.</li> </ul>	Lead Scotland	Engaged with 27 learners. 28.57% of participants progressed on to a course of FE or HE study.  71.43% of participants were engaged in one or more of the four areas of community contribution.  100% of participants are engaged in new, informal learning activities or have identified the activities they will undertake in the next 6 months. 50% of participants expressed a feeling of improved confidence.  100% of learners exited into positive destinations.  35.71% of learners identified previously unrecognised skills.

exacerbating community fragility in Moray's communities.						
To provide adults in Moray with free, quality literacies learning delivered by a skilled team using appropriate methods and resources.	Scottish Survey of Adult Literacies 2009 "26.7% of the Scottish population may face occasional challenges and constrained opportunities due to their literacies difficulties, within this quarter 3.6% (1 person in 28) face serious challenges in their literacies practises."  Census 2011 - 49% of households in Moray with no person aged 16-64 have a highest level of qualifications of level 2 or above (higher level) and no person aged 16-18 is a full time student.	ICT to support learning.  Resources  Appropriate learning environments across Moray to make learning accessible.  Access to CPD opportunities to ensure tutors are skilled, competent and qualified.  Funding for accreditation.	Adults in Moray will be able to access free literacies learning in 1:1 and small groups.  Learners will be able to demonstrate an increase in their literacies skills for work and everyday life.  There will be an increase in the number of learners gaining accreditation.  Parents/ carers will be more confident supporting their children's learning	Stats showing trends are available for previous years and can evidence trends in: No of learners No of learners achieving accreditation. No of learners improving skills and achieving personal goals No of learners progressing to other learning providers/work No of partnership projects	Acting Principal Librarian	Essential Skills: No of learners – 106 No of learner places – 118 ( some learner shave more than 1 learning place if working on more than one topic) No. of learners achieving accreditation - 30 No. of learners leaving service and reporting that they have improved skills and achieved personal goals - 45 No. of learners progressing to other learning providers/work – unable to provide accurate number for all learners who leave the service as tracking is difficult. No. of partnership projects – 1(Let's Eat) No of sessions delivered – 1511 No of Awareness Raising training sessions delivered - 21 Please note that these figures are not representative of the normal operating figures due to

		Publicity & marketing.  Contributions from partners.				the service being declared 'at risk of removal' since January 2019. Numbers are down by 58% due to the current uncertainty.
Without English Language skills, Moray residents with poor English are unable to participate and integrate in the community. They require greater support from council resources and suffer isolation and health issues.	Last census showed that over 5% of Scottish residents speak a language other than English at home.  Strategic guidance in the Adult Literacies in Scotland 2020 notes "the importance of ESOL literacy and language skills"  The Government Economic Strategy 2011 notes that provision of ESOL has great returns "personally, socially and economically"  The Scottish ESOL strategy 2015-2020 notes that "The acquisition of English Language Skills is	2 hour/week free English classes will be provided to any non-English speaker, resident in Moray that requires it. Students will be registered with UHI opening up opportunities for them to obtain SQA qualifications and attend college in the future.	In conjunction with UHI, students will be enrolled in Moray College for the 2018 2019 school term.  Students will be assessed and enrolled in classes arranged by Moray council, by Moray council ESOL Project Coordinator.  Aim to have 30% of students work through and obtain an SQA qualification.	In line with the ESOL Strategy for Scotland which identifies 5 Principles of Provision: - Inclusion - Diversity - Quality - Achievement - Progression  We will ensure that substantial advertisement is provided in the local area for the provision of classes. We will measure: The origin of students attending classes; No of students enrolled; No of students obtaining an SQA qualification; No of students that report improved English and job opportunities in the end of year survey.	Acting Principle Librarian & Moray College UHI	95 students enrolled. 24 students obtained an SQA qualification. Current review into ESOL provision being undertaken with a report to be submitted to Scottish Funding Council by 30 September 2019.  SFC guidelines show that all ESOL provision must be determined through consultation between College and the Community Planning Partnership.  College has a plan in place to provide ESOL for learners at SCQF levels 4-6.  The review will determine the level of provision required at entry level. Moray Council make a decision on ESOL budget in September.

	important for participation in a democratic society".

MCPP decide whether to progress with rolling out engagement process across Moray based on pilot.	reported in activity by local people; Start to roll out locality plans in other areas in Moray using the Pilot model.		The next stage for the community group is to start formalising their structure and giving them the tools to take ownership of the plan and the strategic oversight of outcomes. It is hoped that the work to do this can begin following the launch event for the plan on the 14th September 2019.  Of the actions in the plan a number are already underway with others in the planning stage.  The Scottish Community Development Centre (SCDC) have supported the process and led self-evaluation exercises.
As part of the LOIP, deliver a piloted Local Action Plan engagement process for Buckie Central East. Establish a skills pipeline consortium	26 services working independently across the pipeline	Governance group Sub groups (Learner Forum)	Write a service level agreement and governance Create an action plan	Evaluation of consortium approach No of collaborative projects	Opportunities for All Officer	21 partner agencies from the public, private and third sector signed up to the Moray Pathways Employability Consortium and linked website launched in May 2019.

			Deliver collaborative projects in shared training facilities	No of learners participating in new opportunities No of learners progressing to new learn, training and work opportunities		
Support and training for 17 Community Councils across Moray	Training for elected Community Councillors in Moray	Organise and deliver 3-4 sessions per year, based on the needs and requirements of members	Confident and competent Community Councils in Moray.	Number of individual members engaged and attending the training events	CSU	Two training session delivered in April 2019 by staff from Moray Council Planning Team and the CSU Community Council Liaison Officer.  The training was to develop the skills and knowledge of councillors when responding within the council's planning system. An updated refreshed planning Guide for Community Councils was produced.  In May, the Moray Joint Community Councils of Moray (JCC) organised the Energising Communities Conference, with support from the Community Support Unit's CCLO and a CSO after successfully obtaining funding by Leader. The aim of the conference was to inform

						Community Councils and groups on funding/investment/ community buy- in for windfarm projects in Moray and to form a Moray wide group.  Currently, the Moray Council's Complaints Officer and the CCLO are in the process of delivering Complaints Handling training to all Community Councils across Moray. The training will provide a grounding on the Community Councils Complaints Procedure and how to investigate a Stage 2 complaint.

DofE offer and training programme in place Family Learning: Library & Early years offers in place Adult Learning: Lead Scotland & Moray College UHI ESOL support defined, with a review underway of college provision. Libraries ICT provision clear. Essential Skills support reinstated. Capacity Building: CSU: All seven town hall facility groups working towards a CAT are undertaking a Keystone Award as the learning

			offer. TsiMORAY support and training offer in place.

# **Strategic**

# This section focuses on the core work of the CLD Strategic Partnership

	CLD Plan Focus - Strateg	gic	Outcomes	Performa	nce	Year 1
The Need	Baseline Data	Input	1 <sup>st</sup> Year	Measure	Lead	Update
Establish Moray Adult Learners Forum	Forum dissolved in 2016	Moray College UHI plus relevant partners	Establish Forum, invite Learners to participate	Group recruited and in place	MCUHI/ HISA	Forum not yet established. HISA infrastructure under review.
Accurate, up to date, analysable information about third sector activities and servi ces	Current system (MILO) holds records for approx 650 groups/organisations in Moray	tsiMoray purchases and populates new system	Output:tsiMoray system purchased and operational, info migrated Outcome:more accurate information about tsiMoray membership available through new system	tsiMoray system in place, populated and updated, shared with partners as appropriate Quality Indication 1.1 (improvements in performance)	tsi Moray	System is in place, all staff are trained, including new CDO team and have begun capturing and updating information. Mailshot sent out last week to all contacts requesting information on services to feed into a new online search facility covering Moray.
Create a CLD brand for Moray	No branding currently exists	Input from Media Officers	People feel engaged and branding is recognised.	Uptake by partners and community groups	CLDSO	Community Learning in action strapline created. Banners and Desk cards distributed. Need

		Branding produced	Publicity materials created			for a CLD pop up stand confirmed.
Identify a CLD presence in each ASG	Currently no easy to access information about CLD presence in each ASG	Partnership indentify core places in communites to target information. Idenitfy type of presence	CLD presence will be identifed in each area and information made available	CLD presence will be identifed in each area and information made available	Chair	tsiMORAY through LEADER funding have secured 4 posts to support community action or issues. Information sheets have been created and distributed.
Discuss and agree a sustainable checklist for proposed CLD provision in H&SC	No checklist in place in H&SC	Meetings to take forward and agree measures	Checklist piloted & improvements identifed and implemented. Improved practice for learners	More sustainable CLD provision in H&SC Increased nos of projects developed.	HIT/CDO	Not yet progressed.
Improve the systematic gathering, analysis and sharing of performance information across the partners	No performance information currently shared at strategic group	Agreement from partners to share statistics.  Structure for collating and sharing the information  Create a small scrutiny group to analyse returns	A structure will be in place for information to be gathered, collated in an agreed format and shared.  Partners will be better informed and able to use this information when planning services	System in place and working  No of partners submitting information  Evidenceof partners using the shared information	Chair & CLDSO	Volunteer numbers collated: 1641 people volunteering within the immediate partnership at 1/11/18 Development session delivered Nov 2018; June2019 & performance self-evaluation completed. External authority to be invited to deliver input & comparison.

Created 27/07/2018 Page 39

Work with the Fairer Moray Forum to combat poverty and idenitfy any specific CLD action	Currently no CLDSP reporting link with Fairer Moray	A regular link with Fairer Moray  Create a system to record referrals	A regular link with Fairer Moray and input to the CLD partnership. Awareness of Fairer Moray members of CLD offers	Quantify links and leads  No of referrals  Case studies	HIT	Development of"A Strategy and Action Plan for preventing, mitigating and undoing poverty in Moray. Incorporating the statutory requirement of the Child Poverty(Scotland) Act 2017 and the local implementation of Every Child, Every Chance 2018-2021
Learn from external practice of other authorities on achievement tracking and monitoring in schools	Inspection report highlights need for improvement	Create a fact finding group to visit recommended schools and feedback	Visits will take place Improvement meetings will take place	Minutes of meetings Actions implemented Impact on future inspections	QIO	Information not yet available  A wider achievement tracker has been developed for school use and is under trial in a number of Moray Schools linking participation in and out of school to the wellbeing indicators. Further roll-out is planned once further feedback is provided as with the Moray Attainment Tracker in use.
Deliver an annual CLD partnership report	CLD Partnership is accountable to stakeholders. Report will inform all stakeholders of the work of the CLD partnership	Report will be created in partnership and contain information about the work of the partnership, promote CLD activty, share good news	Report will be distributed to all stakeholders  There will be increased awareness of CLD activities	Contributions from partners Improved statistical information re participation, training opps offered and attended etc	CLDSO	CLD Rewind 2018 produced and distributed. CLD Rewind 2018-19 created. Report created for Community Planning Board. Review of plan, 2 <sup>nd</sup> year targets and overall performance report to be created post Board meeting.

The learning offer will be explicit in core partners delivery	2018 Inspection evidence: Community based provision less likely to highlight the learning offer; Low take up of learning offer training.	Training sessions on composing the learning offer delivered annually through Moray Community Training Calendar and rolled out by partners	Strategic CLD Partners are confident in describing and detailing their Learning offers and supporting staff to do likewise	Increase in number of training opportunities delivered and attendance ERDP/staff appraisal confirms understanding and application Quality assurance measures confirm increase in language and sight of descriptors	CLD Support Officer	Amber	"Learning Offer" language more readily use, however in some settings community activity more likely to be referred to.  Youth Work provision linked to Youth Work Outcomes.  ERDP process not shared by all partners
Deliver a core range of achievement and attainment opportunities for young people	Inconsistent learning offers across Associated Schools Groups.	Engagement team clarified offer; External funding sourced; Capacity building of volunteers to co-deliver provision	Gaps identified & information shared to wider networks to find solutions	Wider achievement annual reporting reflects improvement across ASG's; 10% Increase in place based projects through Project Development Tool 10% increase in recruitment of volunteers	Children's Wellbeing Manager	Amber	Accreditation reduced because work refocused to short project work which not always accredited.
Improve the deployment of volunteers in supporting CLD provision	Partners use different systems to support, train and manage volunteers.	Gather core data; Invite volunteers to contribute to reviewing their experiences; Update existing systems/reports	New materials and refreshed training created to meet needs	Recruitment of volunteers sustained or increased subject to supports available. Report to Community Planning Board on the use of volunteers Case-studies contributed by each partner to the CLD pages.	tsiMORAY & ALL Partners	Amber	Through new website opportunities can be accessed or promoted on the tsiMORAY website. A mapping of organisations is in development. Case-studies have been developed and routinely created on the impact of volunteering

Partners raised that all of the work involves significant time in administration, which few partners have adequate resource to support.

<sup>\*</sup> On 25 September the Local Authority ESOL post was deleted. Moray College UHI will now extend their provision within existing funding. At the same meeting Local Authority Essential Skills provision was reinstated.

REPORT TO: COMMUNITY PLANNING BOARD ON 13 NOVEMBER

2019

SUBJECT: UPDATE ON LOCALITY PLANS IN BUCKIE CENTRAL

AND NEW ELGIN EAST

BY: DEPUTE CHIEF EXECUTIVE (EDUCATION

**COMMUNITIES AND ORGANISATIONAL** 

**DEVELOPMENT)** 

## 1. REASON FOR REPORT

1.1. To ask the Board to review and note the ongoing progress being made on the Partnerships Locality Plans in Buckie Central and New Elgin East.

## 2. RECOMMENDATION

2.1. It is recommended that the Board note the ongoing progress being made on the Partnership's first Locality plan Outcomes Improvement Plans.

#### 3. BACKGROUND

3.1. The Community Empowerment Act (2015) and associated guidance requires each Community Planning Partnership to produce a Local Outcomes Improvement Plan (LOIP). Two plans have been produced in Moray and are in the early stages of implementation. This report provides a brief update following the launches of the plans.

#### **Buckie**

- 3.2. The Plan was launched on 14 August and four sub-groups have been set up to take forward the work set out in the plan, monitor the implementation and provide feedback to the community. Highlights include:
  - a) Food poverty work and dependency on food parcels that has been identified.

- b) Visit to Lhanbryde to learn from a project there and set up of community lunches (01 November, 12 December and 16 January).
   Each event will have a different theme e.g. eating well for less, social isolation, financial support;
- c) The group is working on identifying outcomes and linking these to the Buckie Plan.
- 3.3. The connectivity Group are working on the DialM service and a Park Smart project. The other sub-groups have also met and are working to better define the outcomes they plan to achieve. Officers from across the CPP are supporting particular working groups (e.g. young people).

#### New Elgin

- 3.4. The Plan was launched on 14 September with a design for the cover of the Plan provided through a competition run for local primary pupils. A Family Fun Day was used to launch the Plan and was attended by over 500 people. M:ADE (Moray Arts Development Engagement) premiered an inter-generational film at the event made in the school holidays with young people who were identified as potentially at risk of having a poor experience over the holiday period, in partnership with older members of the New Elgin community about their area's heritage
- 3.5. The Working Group is working in partnership with the New Elgin and Ashgrove Public Hall committee and other local community groups on developing the area as a community hub and to revive the New Elgin Summer Fete in 2020. A sub-group of the Working Group has been formed, led by the tsi Moray Development Officer and supported by others such as REAP and Development Plans via the draft Moray Food Growing Strategy to re-generate the community garden at the hall based on feedback from the community, with the first public planting session held on 26<sup>th</sup> October. A project to address the seagull nuisance that has been identified is also progressing and informal feedback is that this is having an impact.
- 3.6. Work is continuing with the Working Group and partners on progressing other actions and developing monitoring. . A formal structure for the Working Group is not needed at this time as they are utilising links with other formal groups such as the Hall committee. Elgin Community Council is represented on the Group and a Council Research and Information Officer has been assisting in explaining arrangements for monitoring progress. The Scottish Community Development Centre has been supporting the locality plan initiative in New Elgin and Buckie through their Scottish Government funded, Supporting Place - Based Approaches Initiative. SCDC's input will be completed early in the New Year after they meet with both Locality Group members and Moray CPP representatives. A final report will be produced for the board with observations and recommendations, and will be included in their submission to the Scottish Government end of project report.

#### 4. SUMMARY OF IMPLICATIONS

4.1. There are no direct financial, workforce, equalities, policy of legal issues arising from this report.

## 5. CONCLUSION

5.1 Early launch and implementation work on locality plans is progressing well in both Buckie and New Elgin. Involvement and participation of the local communities and partner agencies has been very positive and is ensuring the success of the work. Next steps will include developing governance and monitoring arrangements that engage and suit the community nature of the plans, actions and participants as well as meet the needs of the Board to demonstrate strategic progress. Further reports will be brought to the Board to monitor progress as the work develops.
