Older Peoples Champion

Age Scotland and the Scottish Older People's Assembly (SOPA) are campaigning to secure the appointment of a Councillor as an Older People's Champion in each of Scotland's 32 local Authorities, 19 have already appointed their champion.

The champion would work to help ensure the older peoples voices are heard within the community. They would help raise awareness of issues affecting older people in the local area. Their responsibilities might include:

- Ensuring older peoples perspectives are understood in policy area
- Collecting and feeding back on older peoples concerns to the council
- Helping to communicate council policy to older people
- Leading on council campaigns around older people's issues

We therefore ask the Council to agree to respond to the campaign and appoint an Older Peoples Champion.
